PUBLIC INFORMATION SESSION ON ELWOOD ROAD SAFETY IMPROVEMENTS

Legislator Steve Stern (D-Huntington, 16th L.D.) invites our community to a public information session **June 25th from 6-8 p.m.** at **Huntington Town Hall** (Conference Room 114) to learn about proposed sidewalk improvements on Elwood Road and how Suffolk County plans to make our roads safer, especially for our children.

The Suffolk County Department of Public Works will discuss proposed improvements to sidewalks and pedestrian safety along the entire 4-mile length of CR10, Elwood Road from Route 25 (Jericho Turnpike) to Route 25A (Fort Salonga Road), as well as, Park Avenue (CR35) and Oakwood Road (CR92).

The proposed project includes the following improvements:

- Installation of new sidewalk or the replacement of deteriorated/non-standard sidewalk;
- Installation of new concrete curb or the replacement of deteriorated curb;
- Construction of new handicap ramps with detectable warning fields;
- Construction of colored- concrete traffic islands at Laurel Hill Road/Bellerose Avenue intersection;
- Installation of countdown pedestrian signals at Cuba Hill Road, Cedar Road, Clay Pitts Road, CR11 (Pulaski Road), Northport High School Driveway and Laurel Hill Road;
- Installation of new drainage structures, where necessary;
- Replacement of all traffic signs;
- Installation of new crosswalks and pavement markings;
- Replacement of guide rail, where necessary.
